Your Credit Union of Choice™

\*Membership required. Credit approval is based on certain credit criteria and credit worthiness. Scenario listed above is just an example and savings/rate/amount and term will vary for each member and savings are not guaranteed. The payment examples listed above were calculated as follows: 2% of Credit Card balance of \$6,500; 2% Department Store Credit Card balance of \$4,009.54; Finance company has a rate of 36% APR, a term of 18 months and a balance of \$3,163.31. The consolidated payment of \$260 was calculated with a rate of 8.49% APR, a term of 60 months and balance of \$13,672.85. Not everyone will qualify for the advertised APR. APR = Annual Percentage Rate. Restrictions apply. See representative for details.
